9. Max Schling's Famous Lily-of-the-Valley

Plant September to April

We invite you to join our club plan and have fresh Lily-of-the-Valley all winter long. Because Lily-of-the-Valley is such a refreshing delight in the depths of winter, and because our special imported pips thrive so successfully, we have developed a sort of "Lily-of-the-Valley-of-the-Month" Club!

Our Lily-of-the-Valley pips are ready for bloom-
ing from *September 15 to April 1st*.

Pips delivered from *September thru December* blossom readily in *18 to 21 days*. You can have a bowlful on your table for any desired occasion, like a birthday or anniversary, for Thanksgiving or Christmas, by just ordering your pips the required period in advance.

After January 1st we ship freshly harvested pips that bloom in *28 to 35 days*. As the season moves on towards April the growing time narrows down to from 21 to 25 days. Save money by ordering a whole winter's supply in quantity at one time. We will send you partial shipments according to your instructions. (No shipment of less than 12 pips.) All shipments are sent *Parcel Post Special Delivery* to assure good handling and prompt delivery.
